

# Working with Rural Communities

in Leicestershire and Rutland

To all Village Event and Walk Organisers

## **2012 DIARY OF VILLAGE EVENTS and GUIDED WALKS**

The RCC (Leicestershire and Rutland) is compiling the very popular **DIARY OF VILLAGE EVENTS AND GUIDED WALKS** to help to promote activities taking place in rural areas of Leicestershire and Rutland in the forthcoming year. The diary will include information on any type of community run event or guided walk taking place around the county and 5,000 printed copies will be circulated to libraries museums, Parish Councils and tourist attractions around the 2 counties. Many of the events included will help with fund raising for community projects and by publicising these events it helps to attract more people to them.

I am writing to ask if you would be interested in submitting events/walks for inclusion in the diary. The event could be a local drama group production, church / village fete, open gardens, guided walk, Christmas tree festival, sporting event or anything similar. Events and walks should be taking place in Leicestershire & Rutland during 2012/2013.

The RCC will do its best to promote your event through a variety of methods: The Diary of Events Booklet, Weekly Bulletin and our Web Site and Leicestershire Villages websites. In order to keep costs down if you are able, please enter full details (as shown on the attached forms) of your events online at: <http://www.ruralcc.org.uk/submit-village-event.html> or if you do not use the internet, please complete the enclosed event form and send it back to us. To ensure entry in the booklet please return your form as soon as possible but for inclusion in the printed diary, **no later than 10<sup>th</sup> February 2011**. Any events received after this date will be placed on our website but will not be able to be included in the printed version.

Entries will be published **free of charge for voluntary and community groups** although you may like to make a donation towards costs or become a 'friend of the RCC at a price of £10.00 see [www.ruralcc.org.uk](http://www.ruralcc.org.uk) for more details of the benefits.

If you would like to have a half or quarter page advertisement in the printed magazine to advertise your event more prominently please do get in touch to discuss your requirements.

Please share this information with other event organisers in your area so that we can give as much coverage to the events as possible. We hope to have the diary printed and distributed by mid March, earlier events will be publicised on our website.

Yours sincerely
